# The Brace Place

9806 N 56th St, Temple Terrace, FL, 33617 · http://www.davidlleever.com/

## Patient Access Score

3 of 11 checks need attention.

How easy it is for a new patient to find you, reach you and book, based on your website.

## What we checked

- ✗ **Online booking**
  Only an appointment request form. Patients can't pick a time themselves.
- ✓ **Website chat**
  Chat found (GoHighLevel).
- ✗ **Text / SMS**
  Patients can't text the office from the website.
- ✓ **Lead follow-up**
  Follow-up system detected (GoHighLevel).
- ✗ **Reviews on website**
  Reviews aren't shown on the website.
- ✓ **Ad tracking**
  Found: Facebook Pixel, Google Tag Manager, Google Ads.
- ✓ **Contact form**
  Contact form found.
- ✓ **Tap-to-call on mobile**
  Phone number is tappable on mobile.
- ✓ **Mobile friendly**
  Set up for phones.
- ✓ **Speed**
  Loaded in a reasonable time.
- ✓ **Secure (HTTPS)**
  Secure connection.

## What we would set up for The Brace Place

- Instant self-booking calendar with automatic confirmations
- Two-way texting from your main business number
- Automatic review requests after each visit, shown on your site

We set it all up and look after it for you. Usually live in 7 to 14 days, and your team doesn't need to learn new software.

**Want us to walk you through it?**
A free 15-minute call to go through this report and what it would take to fix.
