General & Cosmetic Dentistry of Tampa - Randall Diez

5010 Gunn Hwy, Tampa, FL, 33624 · https://www.tampacosmeticdentist.com/

Patient Access Score

5 of 11 checks need attention.

How easy it is for a new patient to find you, reach you and book, based on your website.

What we checked

- ✗ **Online booking**
  Only an appointment request form. Patients can't pick a time themselves.
- ✗ **Website chat**
  No chat. Visitors after hours have no quick way to ask a question.
- ✗ **Text / SMS**
  Patients can't text the office from the website.
- ✗ **Lead follow-up**
  No follow-up or CRM system detected. Enquiries are likely followed up by hand.
- ✓ **Reviews on website**
  Reviews shown (Elfsight, Trustindex, EmbedSocial).
- ✗ **Ad tracking**
  No analytics or ad tracking found. You can't see where patients come from or retarget visitors.
- ✓ **Contact form**
  Contact form found.
- ✓ **Tap-to-call on mobile**
  Phone number is tappable on mobile.
- ✓ **Mobile friendly**
  Set up for phones.
- ✓ **Speed**
  Loaded in a reasonable time.
- ✓ **Secure (HTTPS)**
  Secure connection.

What we would set up for General & Cosmetic Dentistry of Tampa - Randall Diez

- Instant self-booking calendar with automatic confirmations
- Website chat that texts back new enquiries within a minute, day or night
- Two-way texting from your main business number
- Automatic follow-up by text and email so no enquiry goes cold
- Analytics and retargeting set up so ad spend can be measured

We set it all up and look after it for you. Usually live in 7 to 14 days, and your team doesn't need to learn new software.
