Mia Smiles Orthodontics

293 NE 61st St, Miami, FL, 33137 · https://miasmiles.com/

Patient Access Score

5 of 10 checks need attention.

How easy it is for a new patient to find you, reach you and book, based on your website.

What we checked

- ✗ **Online booking**
  No way to book online. New patients have to call during office hours.
- ✗ **Website chat**
  No chat. Visitors after hours have no quick way to ask a question.
- ✓ **Text / SMS**
  Texting option found.
- ✗ **Lead follow-up**
  No follow-up or CRM system detected. Enquiries are likely followed up by hand.
- ✗ **Reviews on website**
  Reviews aren't shown on the website.
- ? **Ad tracking**
  Found: Google Analytics, Google Ads. No Facebook/Instagram pixel seen.
- ✗ **Contact form**
  No contact form found.
- ✓ **Tap-to-call on mobile**
  Phone number is tappable on mobile.
- ✓ **Mobile friendly**
  Set up for phones.
- ✓ **Speed**
  Loaded in a reasonable time.
- ✓ **Secure (HTTPS)**
  Secure connection.

What we would set up for Mia Smiles Orthodontics

- Online booking calendar that fills straight into your schedule
- Website chat that texts back new enquiries within a minute, day or night
- Automatic follow-up by text and email so no enquiry goes cold
- Automatic review requests after each visit, shown on your site
- A short enquiry form that goes straight into your CRM
- Analytics and retargeting set up so ad spend can be measured

We set it all up and look after it for you. Usually live in 7 to 14 days, and your team doesn't need to learn new software.

Want us to walk you through it?
A free 15-minute call to go through this report and what it would take to fix.
